

South Carolina Department of Health and Environmental Control Flu Shot Clinic listing for 2006

DHEC Public Health flu clinic information for DHEC's eight Public Health Regions:

Originally announced as of Oct. 2, 2006

Last updated: 12/19/06 at 10:16 a.m.

Amended: Regions **1, 2, 5, 6 & 8** (please discard earlier version(s)). Posted at: <http://www.scdhec.gov/flu/>

Please note that DHEC clinics are one of many ways you can get a flu shot. For a full listing of DHEC and non-DHEC clinics, please also check the "Flu Clinic Finder" at: <http://www.mrnc.org/fcf>. Please note that DHEC does not have oversight or regulatory control over non-DHEC clinics or their prices. While most "flu clinics" have concluded, you may call your local DHEC Public Health clinic for information about the best way to get a flu shot. There is still plenty of time to protect yourself against flu before the flu season peaks.
